# MINIATURE LINEAR SOLENOID

## Measurement table model 600

Miniature linear solenoid

610,000 DC Solenoid.  
Pull type operation voltage 12 or 24 Volts.

612,000 AC. Solenoid.  
Pull type operation coil voltage 24v 50hz.

611,000 DC Solenoid.  
Pull and push type operation coil voltage 12 or 24 volt

620,000 DC Solenoid.  
Pull type. Operation coil voltage and duty cycle(ED) optional.

621,000 DC Solenoid.  
Pull & push type operation coil voltage 24v 50hz

Coils made with wire class H 180 grades.  
Plug-in socket.
